**CATTLEMAN'S CONNECTION
ANGUS SALE**

Tuesday, 1:00 p.m. (MDT)

MARCH 12, 2019

At the Ranch, Yuma, CO

3 1/2 Miles South of Yuma on Hwy. 59

Greetings from our crew to you! Another year has arrived and here we are ready for the sale.

As we look at our herd, we stand out in several areas.

First, you are going to see our cattle in their work clothes, we feel that is a more true representation of the cattle. Over the years I think our bulls got as many if not more dates with the Ladies (cows) being "natural".

Second, we cull rigorously based on performance, structure, and EPDs. Only about 1/4 of the calves born as bulls make it to the sale as bulls. Every year after weaning we go back through and do another evaluation. Those bulls not meeting our critical analysis have an appointment with a knife. You will never find a bull sold as a "white paper" bull through our sale.

Over the years we've learned that if a bull can't and doesn't express itself to grow and develop, it's calves more than likely won't either. Our poor vet always asks, "are you sure" as we run those bulls down the alley prior to castration. We are that critical, and you will be happier because of it.

We feed these bulls to gain 3 pounds per day and not push them hard. Ultra sound revealed an average back fat of less than 3/10". That's pretty lean so you can rest assured their feet will stay intact, the bulls remain fertile, and give you many years of useful life in your herd.

We do find EPDs and its data to be a very good, useful tool for breeding selection, but as I stated, those bulls have to step up to the plate. After we review the EPDs, we look at actual growth measures to double check they can "talk the talk and walk the walk." You will find we promote performance first, EPDs and other breed numbers, second. That's what I mean when I say, "no white paper bulls".

Look over our sale offering and I bet you'll be saying, "These guys are in the beef business, they understand what it takes to get a uniform set of calves I can be proud of." Those are the calves that make the market report, topping the market! The same thing buyers look for when selecting cattle for feedlot placement. And believe me, those guys have a long memory on how cattle perform.

We appreciate your interest in our herd, our sale, and look forward to seeing you sale day.

LUNCH:

Join us for a complimentary lunch at the ranch sale day.

ANNOUNCEMENTS:

Made from the block will take precedence over this printed catalog.

EPDs:

EPDs printed in this catalog were current Feb. 8, 2019.

Stars:

You will notice some bulls have a star rating of 1 to 3 stars above their lot number. That ranking is a calving ease score based on the individual's CED EPD, actual birth weight and BW EPD. A 3 star rating is a top calving ease herd bull prospect. Be sure to choose bulls based on your herd requirements.

20 Purebred Open Angus Commercial Heifers & 10 Open Black Whiteface Angus x Polled Hereford Heifers

COMMERCIAL HEIFERS

The commercial Angus and F1 Polled Hereford cross baldy heifers have the same excellent genetics as the base of our cow herd. Calving ease, milking ability, easy fleshing ability, fertility, and excellent longevity in your herd. Carcass genetics and feeding performance is a mainstay of our herd. Weights will range from 650 - 800 pounds by sale day. These heifers are unbranded so that when you put yours on, it will be the first and only brand on them.

We sort these heifers into uniform groups of 10 head and when selling the buyers will have the chance to pick from 1 to 10 heifers. After the first selection, if any heifers remain in that pen, then the next opportunity will be to buy out of that draft for same money. If any remain after that, then the next winning bid cleans the ring.

We've also started them on their first round of prebreeding vaccinations for those of you who choose to go with a modified live vaccination, they were administered at the same time as their Bangs vaccination, a dose of Zoetis Bovishield Gold 5 VL5. This way if you choose to continue with that program during their lifetime it's already started for you. We recommend that you continue with a vaccination schedule throughout these animals' lifetime.

We are deeply committed to the over all health of our herd and strongly believe a good and proper vaccination program is the foundation to the health and vigor of the cows, calves, and bulls which go through our ranch.

Can't make the sale?

We are pleased to bring you real-time Internet bidding and a live broadcast of this sale through DV Auction. To watch or bid online, simply complete the following steps:

- 1) Visit the DVAuction web site at www.dvauction.com
 - 2) Click on the "Register" tab
 - 3) Enter a user name, password and your contact information.
 - 4) Click on "Apply for Bidding."
- Select the sale from the list of other auctions and click "Apply".
 - Complete the process by filling out the Banking & Lending information requested.
 - Be sure to include a personal contact at your bank, we will contact them in order to get a credit reference.
 - If you would prefer to be approved using your credit card, call (402) 316-5460.
 - Please be sure to apply for bidding at least a day in advance of the sale-every effort will be made to process your application in a timely manner.

DVAuction will contact you once you have been approved to bid. We do not provide buyer numbers until you have purchased a lot in the sale, and that number is only usable for that auction. After the sale contact the sale owner or manager to make arrangements for payment and delivery of your online purchases.

Please Note: High speed Internet access (DSL, T-1, or Broadband) is required to be able to bid successfully during the sale. If you have any questions, please contact DVAuction at (402) 316-5460 or (402) 474-5557 or email support@dvauction.com.

Proxy Bidding: If you can't access a computer during the sale, you can now place a "proxy bid" through DV Auction. Simply follow the instructions listed above, and as the sale date nears there will be a "Proxy Bidding" link under the sale listing on the main page of DV Auction. You can then place the maximum amount that you'd like to bid, and our system will represent your bid just as if you were there.
